Note: # refers to the number of analysts contributing to the line item

#### Notes:

Company Compiled Consensus represents the average on a line by line basis of analysts which have revised their model following Q1 results. Not all analysts model each line item.

Please note due to an inconsistent number of analysts contributing to each line item, and each line item representing the average of those who contributed it may not be possible to reconcile the subtotal of each column to the sum of the parts, or re perform certain calculations.

#### Disclaimer

Consensus figures in the table above are line-by-line averages based on the forecasts of certain sell-side analysts covering Wise PLC and its consolidated subsidiaries ("Wise"). They may not sum exactly as not all forecasts received contain an estimate for each account line.

Wise Owner Relations requested sell-side analysts which, to the best of Wise's knowledge, cover Wise to provide their estimates for each of the line items appearing in the tables above. To produce this consensus, estimates of analysts have been used as at 30 September 2024. The selection of the analysts included in the consensus figures has not been made on the basis of the analysts' opinions, forecasts, estimates, projections, predictions or recommendations in respect of Wise. The opinions, forecasts, estimates, projections, predictions or recommendations regarding Wise's performance made by the aforementioned analysts are those of the analysts alone and do not represent the opinions forecasts, estimates, projections, predictions or recommendations of Wise.
