When this occurs, we will notify you, and you are responsible for updating third parties and other arrangements you may have to receive funds using your Account Details. Wise is not responsible for issues that arise when Account Details are changed, and it is your

responsibility to notify third parties that your Account Details have changed.

12.12 When money received is shown in your Wise Account. Any money you receive into your Wise Account will be converted into electronic money and recorded in your transaction history. You should check and confirm the receipt of incoming funds in your Wise Account regularly and let us know if there are any irregularities or discrepancies.

12.13 When we will credit your Wise Account. We are not responsible for the funds you have added until we have received them. For clarity, when you add funds to your Wise Account, we are the recipient of those funds. This means the bank or payment service provider you used to send the funds to us is the one responsible for making sure we receive them so that we can credit them to your Wise Account.

12.14 We will credit your Wise Account once we have received your funds. For some Pay-in Methods such as a credit or debit card, we may credit the funds before we receive the funds subject to our right of Reversal. This means if we credit your Wise Account for the full amount you intended to add but this amount does not reach us, we will deduct that amount from your Wise Account. If you have already spent the funds, this could make your Wise Account have a negative balance (see "**What happens if you owe us money**").

13. Withdrawing funds from your Wise Account

13.1 You can request to withdraw your funds. You may withdraw all or some of the balance in your Wise Account. We may charge you a fee for each withdrawal request, we will let you know the exact amount when you submit your request. You can also find out more information about the fees we charge on the [Pricing page](#).

13.2 Pay-out Methods available to you. You may be presented with one or more methods of withdrawal (in this Agreement, we will call these methods "**Pay-out Methods**"). The number of Pay-out Methods made available to you will depend on a few factors including where you live and your verification status with us. We cannot guarantee the use of any Pay-out Method and may change or stop offering a Pay-out Method at any time without notice to you.

13.3 You must provide correct information to us. When setting up your withdrawal request, you must ensure that the information you provide is correct and complete. We will not be responsible for money sent to the wrong recipient because of incorrect information provided by you.

13.4 What happens if you provide incorrect recipient information. If you have provided incorrect information to us, we may, but are not required to, assist you in recovering your funds. We cannot guarantee that such efforts will be successful as they rely on the policies and practices of other banks and institutions. In addition, Wise may not be able to confirm that your recipient's name and account number match, as the names and other information associated with third party accounts may not be known to

Wise. This means that if you provide an incorrect account number, your funds will most likely go to the wrong account.

13.5 Your withdrawal request is subject to limits. You agree that your Wise Account is subject to withdrawal limits. If your withdrawal request exceeds the current limit, we may decline your request or we may require you to provide additional documents to us so that we can carry out additional checks before allowing the money to be withdrawn.

13.6 Delay in withdrawal. We may delay a withdrawal in certain situations, including if we need to confirm that the withdrawal has been authorised, to complete verification checks, or if other payments to your Wise Account have been reversed (for example, because of a chargeback or Reversal). We cannot be held responsible for any such delays, provided that we have acted reasonably in delaying a withdrawal.

13.7 Finality. Pay-outs, currency conversions and Card or other transactions executed by us are final and irrevocable once you request them, unless otherwise provided in this Agreement or pursuant to applicable law.

14. Reversals and Chargebacks

14.1 Funds added or received to your Wise Account may be subject to Reversal or chargeback. Funds added to your Wise Account could be Reversed or subject to a chargeback, which means that you will not get those funds credited to your Wise Account. A Reversal or chargeback may occur where the funds added to your Wise Account are Reversed by Wise or Reversed to or subject to a chargeback by the person paying you the money or the payment provider.

14.2 When a Reversal or chargeback may happen. You may be liable for and/or have funds reversed or be subject to a chargeback when, without limitation, we have reason to believe:

- a. Wise, or any other party, sent the amount received to you in error.
- b. The amount received was unauthorised or fraudulently undertaken or induced.
- c. The amount received was received for activities that appear to have violated a law, this Agreement, the Acceptable Use Policy, or any other agreement between you and Wise.
- d. The amount received is, for any reason, Reversed by the sender or a payment provider.
- e. Any other error that may result in your Wise Account being credited in circumstances where you are not the lawful recipient and/or lawfully entitled to retain the amount received.

14.3 If any funds are Reversed by the sender or any payment provider, you agree that Wise may refund, deduct, or Reverse the amount of the funds plus any fees from your Wise Account (if applicable) in the same currency as the original transaction. If your Wise Account balance for the relevant currency is insufficient to cover the amount of a refund or Reversal, Wise may at its discretion perform a currency conversion to refund or Reverse the

transaction, subject to the exchange rate being offered by Wise in the applicable currencies at that time. If a Reversal or chargeback causes you to have a negative balance, you will be immediately liable to Wise for the negative balance plus any losses to Wise, if any.

14.4 Chargeback Fees. If you receive a debit or credit card-funded payment into your Wise Account and you (or a third party) pursue a chargeback for the transaction with the card issuer, then Wise may apply a fee in accordance with our Pricing Page, for facilitating the chargeback process and will remove the chargeback funds from your Wise Account, including funds held in a Jar.

15. Maintaining your Wise Account

15.1 Transaction history is displayed on your Wise Account. All your transactions (including your current balance, funds you have added, received, sent and/or withdrawn), related fees and exchange rates, if applicable, are recorded in the statement section of your Wise Account.

15.2 Statements. You have the right to request a physical account statement showing your Wise Account activity by contacting [Customer Support](#). You may view your Wise Account statement by logging into your Wise Account. You may be able to view your Wise Account in a way that some of your transactions are hidden. This is to allow you to isolate transactions from recipients to determine your spending with those recipients. You will need to readjust your viewing preferences if you have used this feature to default to see all transactions.

15.3 Check your Wise Account regularly. You must check your Wise Account regularly and carefully and contact our [Customer Support](#) team immediately if you don't recognise a transaction or think we have made a payment incorrectly. You must tell us about any unauthorised or incorrectly executed transactions immediately and no later than 13 months after the transaction date from when you become aware of the unauthorised transaction.

15.4 You accept the risks of holding funds in multiple currencies. You agree and accept all the risks associated with maintaining an account that can hold balances in multiple currencies including any risks associated with fluctuations in the relevant exchange rates over time.

15.5 Auto Conversion. For certain currencies, you may be able to set one or more conversion orders to be automatically executed once the exchange rate you pick is offered by our Services (an "**auto conversion order**"). There may be limits to the number of auto conversion orders you are able to set up, as well as the amounts of money you can schedule to convert. Wise does not guarantee that it will be able to execute your auto conversion order in all circumstances.

15.6 We are not a currency trading platform. Wise is not a currency trading platform. You agree that you will not use your Wise Account for seeking to profit from currency conversion or foreign exchange trading or other types of speculative trading, or for speculative trading purposes, conversion

arbitrage, conversion options or any other activity that Wise determines is primarily for the purpose of gaining or making gains based on currency conversion rates.

15.7 Accordingly, you should not use our Services, including the Wise Account or the auto conversion order function for this purpose, including creating multiple auto conversion orders or a series of Money Transfers without the intention of completing them. If we detect that you are using our Services for this purpose, we may, at our sole discretion, set a limit on the number of auto conversion orders you may create, cancel your orders, set a limit on the amount of money you can convert or transfer in one or more currencies or in the same currency, restrict your ability to access certain features or use our Services, or suspend or close your Wise Account. Wise may also hold, cancel, or reverse any transaction we determine to violate this policy and disgorge your gains.

15.8 Negative Balances. You promise to always have a zero or positive balance in your Wise Account and to repay Wise if your Wise Account balance is negative, including because of a chargeback, Reversal, deduction of fees, any other error, or any other action. That negative amount represents an amount you owe to Wise, and you must repay the negative amount immediately without any notice from us. We may send you reminders or take other actions to recover the negative amount from you, for example, we may use a debt collection service or take further legal actions. We may charge you for any costs we may incur as a result of these collection efforts. For more information, see “**What Happens if you owe us money**”.

16. Jars

16.1 What is a Jar? A “Jar” is a sub account within the Wise Account that can be used to segregate a portion of your funds. You may use jars to keep funds for a designated purpose in the future, such as travel or to assist with your budgeting. You can only put funds into your Jar by transferring money from your Wise Account. You cannot use the funds directly from a Jar to make payments. To use the funds held in a Jar you must transfer the funds out of the Jar back into your Wise Account. The funds within a Jar may not be accessed via direct debits or Card transactions and may not be spent or sent by you unless they are moved out of the Jar. You should keep enough unrestricted money in your Wise Account to cover all anticipated fees. Wise is not responsible for fees resulting from unfunded transactions due to funds being in a Jar.

16.2 Jars are not savings accounts, do not have their own account numbers, and don't earn interest. Money held in your Jars does not earn any interest and is not insured by any deposit protection scheme, including the FSCS.

17. Using or spending funds in your Wise Account via Direct debits

17.1 Direct Debit. You can set up a BACS Direct Debit to allow someone else (the payee) to take money from your Wise Account. This is an agreement between you and a third party, and you may agree to allow such automatic withdrawal on a recurring or sporadic basis. Examples of automatic payments that can be arranged by you include those that may be called a

“billing agreement,” “subscription,” “recurring payment,” “reference transaction,” “preauthorized transfer” or “preapproved payment.” You can also cancel a BACS Direct Debits before they are made. BACS Direct Debits can be cancelled before 3pm on the Business Day that they are due.

- 17.2 Direct Debit Refunds.** BACS Direct Debits are collected from your Wise Account based on a consent you have given in the past. We encourage businesses to tell you the amount of any Merchant Initiated Payment before they collect it. However, if you think a BACS Direct Debit has been taken from your Wise Account in error, you can ask us to refund it within 8 weeks of it being paid. To request a refund, contact us and we will let you know if your refund is successful within 10 business days.
- 17.3** Once your direct debit is cancelled, all future automatic payments under your agreement with that seller will be stopped. If you cancel a direct debit, you may still owe a third party for any goods or services that you receive but have not paid for.
- 17.4** If you have given advance authorization, either to a third party or to Wise, that permits the third party to take or receive payments from your Wise Account on a regularly recurring basis (for example, every month or otherwise on a routine cycle), and if such payments will vary in amount, you have the right to advance notice of the amount and date of the transfer from the seller, typically 3 days before the transfer is made. If the seller provides the option, you may choose to receive this advance notice only when the amount of your automatic payment will fall outside a range established between you and the seller.
- 17.5** If you have authorised a direct debit and Wise performs a currency conversion for an automatic direct debit transaction, Wise will use the exchange rate offered at the time the transaction is processed.

18. Using or spending funds in your Wise Account via Cards

- 18.1 Cards.** Your Card can be used to access and spend the funds in your Wise Account, for example, to pay for goods and services online, over the phone, or in person and can be used to withdraw money from ATMs. The Card is not a guarantee card, charge card or credit card. It is not for resale. The Card may be cancelled, repossessed, or revoked at any time without prior notice subject to applicable law.
- 18.2 Digital card.** You may apply for a digital Card as well as a physical Card. Your digital Card will have a different set of card details from your physical Card, but will draw from the funds in your Wise Account in the same manner as your physical Card. Your digital Card is activated instantly once those details are provided to you and can be used right away. The issuance of the digital Card is free of charge and there are no monthly or annual fees. You can freeze your digital Card at any time and unfreeze it once you are ready to use it again.
- 18.3 Cards and FSCS.** The UK Financial Services Compensation Scheme does not apply as your Card is linked to your Wise Account, which is an electronic

money account and not a bank account. The Financial Services Compensation Scheme does not apply to your Wise Account or Card.

- 18.4 Verification.** We may carry out verification checks when you request a Card in addition to the checks required to obtain a Wise Account, and we may carry out further checks on an ad-hoc basis. These checks may increase the time it takes to process your order for a Card. We are not responsible for any delays because of carrying out those checks. If you have paid a fee for your Card but we decide you do not meet our verification requirements, we will cancel your Card and refund the fee you paid for your Card within 14 days of our decision. We may not refund the fee in certain circumstances.
- 18.5 How to activate your Card.** When you receive your Card, please sign the back of it as soon as you receive it and keep it safe. The Card PIN is a 4-digit code that you may be asked to enter when making a payment using the Card.
- 18.6** You must not make purchases or withdraw funds with your Card that exceed the amount of funds available in your Wise Account. If any purchase or withdrawal takes you over your available funds or the card limits indicated by Wise the transaction will be declined.
- 18.7 Spending limits.** While you may offer you the ability to set spending limits, we reserve the right to add, increase, or decrease spending limits on your Card from time to time. This is in our sole discretion without notice to you except as required by law, for security or other reasons.
- 18.8 Other limits.** We may, at our reasonable discretion, decline the use of your Card for situations including, but not limited to:
- a. Pre-authorized regular payments.
 - b. Transactions at self-service petrol pumps.
 - c. Transactions for cash (other than ATM withdrawal) including for example cash back, cash from a bank, money orders, traveller's cheques, foreign exchange, or bureau de change, or any illegal purposes.
 - d. Where it is not possible for the supplier of the good or service to obtain online authorization that you have sufficient funds in your Wise Account for the transaction. For example: transactions on trains, ships, and some in-flight purchases.
 - e. Where there is suspicion that the Card is being used to exploit vulnerabilities in a merchant's payment processing or the card payment ecosystem; or
 - f. Where we have grounds to believe that you have made false statements to obtain reimbursement for a previous transaction.
- 18.9 When can we suspend or cancel your Card.** Along with closing or suspending your Wise Account, we can suspend or cancel your Card, including if the activity on your Card or Wise Account appears suspicious, fraudulent or may be associated with criminal activity or activity which is

inconsistent with this Agreement. Unusual or multiple purchases may prompt a merchant inquiry or Card suspension to allow us to investigate such activity.

18.10 We reserve the right, in our sole discretion, to limit your use of the Card. We may refuse to issue or replace a Card or may revoke Card privileges, other than as required by applicable law. You agree not to use or allow others to use an expired, revoked, cancelled, suspended or otherwise invalid Card. We will not incur liability to you because of the unavailability of the funds that may be associated with your Card or Wise Account.

18.11 Replacement of card. If you need to replace your Card for any reason, please follow the instructions on our Website or App or contact [Customer Support](#). We will charge a fee for the replacement Card.

19. Card transactions

19.1 You authorise every transaction. You agree that any use by you of your Card, card number or PIN constitutes your authorisation and consent to the transaction.

19.2 Cards are for your sole personal use. You undertake not to authorise others to use your identity or user status, and you may not assign or otherwise transfer your Card to any other person or entity.

19.3 Card transaction fees. You agree to pay the Card transaction fees set forth in the [Pricing page](#). All the Card transaction fees will be withdrawn from your Wise Account and will be assessed if there are funds remaining on your Wise Account. If at any time your remaining funds are less than the Card transaction fees being assessed, the funds in your Wise Account will be applied to the Card transaction fees resulting in a zero amount on your Wise Account, and your Card may be declined. The remainder of the Card transaction fees due will be collected the next time you add funds to your Wise Account.

19.4 Priority of currencies and currency conversion when you use your Card. If you withdraw cash or make a purchase in a currency for which you hold a balance in your Wise Account, Wise will use that currency for your withdrawal or purchase, and you consent to and authorise Wise to convert the currency in place of your Card network.

19.5 In a currency that you do not hold in your Wise Account. If you withdraw cash or make a purchase in a currency for which you do not hold in your Wise Account, or if you withdraw cash or make a purchase in a currency in an amount that exceeds the available funds that you hold in that currency, Wise may convert funds from another currency that you hold in your Wise Account to cover that transaction, and Wise currency conversion fees will apply. You cannot set a default or preferred currency to convert from.

19.6 When determining which currency to convert where you have more than one currency in your Wise Account, Wise will use the currency with the lowest conversion fee for the currency needed to complete the cash withdrawal or purchase made by you. In cases where the conversion from

several currencies will have the same conversion fee, we will convert based on the highest conversion rate. For more information on which currencies would be used in the event that you use your Card to withdraw cash or make a purchase in a currency that you do not hold in your Wise Account, please check the Wise [Pricing page](#) or contact [Customer Support](#).

- 19.7 In a currency that is not supported by Wise.** If you withdraw cash or make a purchase in a foreign currency that is not supported by Wise, the rate charged by the VISA/MASTERCARD® network shall apply.
- 19.8** Please note that if you are offered the option at a point of sale (POS) terminal to pay in local currency or to pay in your home or another currency, you must pick the local currency if you want the Wise rate to apply to your transaction.
- 19.9 Returns and Refunds.** If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Wise Account for such refunds and agree to the refund policy of that merchant. Merchant refunds will be provided to Wise for crediting to your Wise Account when they are received. Wise has no control over when a merchant sends a refund transaction; there may be a delay between the date of the refund transaction and the date the refund amount is credited into your Wise Account and refunds from merchants may be in an amount the same or less than the amount of the corresponding debit.
- 19.10 Refunds in different currencies.** If you receive a refund on a Card payment in a currency for which you have a balance, we will credit said balance. If you receive a refund in a currency that you do not hold a balance or if you receive a refund in a currency we do not support, we will credit your Wise Account in the card's default currency, which may require us to convert the currency.
- 19.11 Unjust enrichment.** In case you notice a refund has been received twice for the same transaction, for example in both your Wise Account and from a merchant, you are required immediately to let us know, and we always reserve the right to debit back a previously issued refund when a refund for the same transaction has been provided by the merchant as well, without prior notice.
- 19.12 No Warranty Regarding Goods or Services as Applicable.** Wise is not responsible for the quality, safety, legality, or any other aspect of any goods or services you purchase with your Card. Any disputes or issues with any goods or services you purchase with your Card should be addressed to the merchants or individuals from whom the goods and services were purchased.
- 19.13 Disputed transactions.** In case of disputed Card transactions, we may, subject to any restrictions under applicable law, decide not to proceed with Chargebacks at our sole discretion. Reasons for this might include:
- a. Not receiving sufficient information to determine that an error occurred.

- b. Not receiving a notification about the payment error in a timely manner.
- c. Disputes being caused by the risky nature of transactions undertaken with the Card.
- d. We have evidence that you or someone you gave your Card to, authorised the transactions in dispute.

20. When your Card expires

20.1 Your Card has an expiry date. You can only use your Card up until the expiry date which will be shown on the back of your Card and/or in the App.

20.2 We'll aim to notify you 2 months before your current Card will expire. You then may order a new Card by following the instructions on our Website or App. A replacement Card fee may apply (see [here](#)).

20.3 If you do not want your Card to be renewed, you can simply let it expire without ordering a replacement. Your Card will be deactivated, and you will not be able to use it after its expiry. You should destroy your expired Card.

21. Keep your Card safe

21.1 Keep your Card safe. Never let another person or third party use your Card and keep it safe. Memorise your PIN and never disclose this and other security information to anyone. Sharing these details can lead to unauthorised access to your Wise Account and you will be solely responsible for transaction(s) made in this situation. Wise will not be liable for any loss arising due to any such unauthorised transaction(s).

21.2 Report any suspicious incidents. If your Card is lost or stolen, you suspect that someone else knows your PIN, or if you think your Card, card number or PIN may be misused, you agree that you must stop using the Card, and immediately freeze or replace the Card. If this happens, we recommend that you both call and email Customer Support right away. You can also freeze your Card with immediate effect on our App under the Account tab. If you find the Card after you have reported it lost, stolen, or misused, you must destroy it and tell us as soon as you find it.

21.3 Your Liability for Unauthorised Card Transactions. In addition to other limitations of liability provided for under this Agreement, your liability for the unauthorised use of your Card may also be limited by Visa/MasterCard. Under the MasterCard rules, you will have no liability for a transaction that was not authorised by you if you exercised reasonable care in safeguarding the Card from risk of loss or theft, and, upon becoming aware of such loss or theft, promptly reported such loss or theft to [Customer Support](#).

21.4 Under the Visa rules, you will have no liability for a transaction that was not authorised by you if you were not fraudulent or negligent in the handling of the Card, and, upon becoming aware of the unauthorised transaction, promptly notified such transaction to [Customer Support](#). This chargeback policy is subject to change without notice and changes made by Visa/MasterCard will automatically apply to you.

21.5 Disclosure of information to law enforcement authorities. If your Card is used without your permission, or is lost, stolen or if you suspect the Card may be misused, we may disclose to law enforcement agencies any information which we reasonably believe may be relevant.

22. Card cancellation rights

22.1 Cancelling your Card. You may cancel your Card at any time with no charge by logging into your Wise Account or through the App.

22.2 We have the right to cancel your Card. Note that subject to any restrictions under applicable law, we reserve the right to cancel or suspend your Card at any time for any reason. Use of your Card is subject to all applicable rules and customs of any clearinghouse or other association involved in transactions.

MONEY TRANSFERS

23. Sending money

23.1 Information you need to provide to set up a Money Transfer. To set up a Money Transfer, you will need to provide certain information to us, including, but not limited to, the full name of your recipient, your recipient's bank account details (e.g. sort code and account number for UK accounts or the International Bank Account Number (IBAN) for payments made to non-UK accounts) or their Wise Account information and the amount and currency that you are sending.

23.2 You will need to sign into your Wise Account using all relevant passwords and prompts to carry out a Money Transfer transaction. We will view your use of all relevant passwords and prompts as the giving of your consent to us to make a Money Transfer.

23.3 Payment order limits. We may place limits on the amount you may send per Money Transfer. You can see more information in the [Help Centre](#).

23.4 Remember. When you use our Money Transfer services you might be doing business with another Wise entity depending on the currency you are sending. You will be subject to that entity's customer agreement for that Money Transfer.

24. Paying for Your Money Transfer

24.1 How to pay for your Money Transfer. To pay for your Money Transfer, you need to access your Wise Account or profile, by logging in on our Website or App or via an API Partner, and follow the steps provided.

24.2 Payment methods. You may be presented with one or more methods of paying for a Money Transfer (for example, a bank transfer, a credit or debit card or a Wise Account balance). The number of payment methods made available to you will depend on a few factors including where you live and your verification status with us. We cannot guarantee the availability of a

particular payment method and we may change or stop offering a payment method at any time without notice to you.

24.3 Payment instruments must be in your name. Any payment instrument (for example, the credit card or debit card or bank account from which you make a transfer) you use to pay for a Money Transfer must be in your name.

24.4 Paying with your debit or credit card. Where you can pay for a Money Transfer using your debit or credit card, you will need to provide your card details to us, including your card number and cardholder name. When you choose to pay with a debit or credit card, you confirm that your card details are correct, that you are authorised to access and transmit funds from your card account, that your card account is in good standing with the account-holding financial institution, and that you have the authority to initiate a debit or credit card payment in the amount at issue to or from your card account. You authorise us to initiate credits and debits to your bank account through card payment networks to process your transaction, including any applicable fees and charges, and this authorization shall remain in effect so long as you are able to use our Services, unless cancelled in accordance with this Agreement.

24.5 You need to provide us with sufficient funds, after you set up your Money Transfer, before we can process it. We are not responsible for the funds you have sent us until we have actually received them. We may only process your Money Transfer if we hold or have received sufficient cleared funds in accordance with this Agreement and the instructions provided. If you send us funds before finalising a Money Transfer order, those funds will either be placed into your Wise Account, or, if you do not have one, we will attempt to return them to you. It is your responsibility to fund your Money Transfer in a timely manner. We cannot be responsible for the time it takes for the money to be sent to us by your or a third party's bank or payment service provider.

24.6 Adding Money by BACS Direct Debit. If you choose to pay for a Money Transfer using BACS direct debit feature, you will need to provide your bank login details or bank account details to us, including your bank account number and routing number. When you choose to pay using BACS Direct Debit and provide your details, you confirm that your details are correct, that you are authorised to access and transmit funds from your bank account, that your bank account is in good standing with the account-holding financial institution, and that you have the authority to initiate an electronic funds transfer in the amount at issue to or from your bank account.

24.7 When you choose to pay using BACS Direct Debit, by providing your bank account details and requesting a transaction, you authorise us to initiate electronic credits and debits to your bank account through the BACS network, including any applicable fees and charges, and this authorization shall remain in effect so long as you are a registered user with our Service unless cancelled in accordance with this Agreement.

25. Processing your Money Transfer

- 25.1 When we will complete your Money Transfer.** We will complete your Money Transfer once we have received your funds. For some payment methods such as a credit or debit card, we may send your Money Transfer as soon as possible.
- 25.2 Guaranteed rates.** We may provide you with a guaranteed foreign exchange rate for a period. We will notify you of the guaranteed rate and the period during which we are offering that rate (the “**Guaranteed Period**”) when you create your Money Transfer.
- 25.3** Guaranteed Periods are subject to the following conditions:
- a. The Guaranteed Period may be extended if your Money Transfer is created over the weekend or on a public holiday.
 - b. We must receive sufficient funds from you during the Guaranteed Period to convert your funds at the guaranteed rate. You will see when we have received your funds in your Wise Account or profile. Wise is not responsible for the failure of a third party to send your funds to us in a timely manner.
 - c. If we receive your funds after the Guaranteed Period, we will not be able to convert your money using the guaranteed rate and your transfer will become a non-guaranteed rate transfer. Accordingly, we may convert your money at the applicable exchange rate at the time we receive your money, or we may email you and ask you if you want to proceed with your transfer at the new exchange rate.
 - d. If the Wise exchange rate changes by 5% or more during the Guaranteed Period, we can, at our discretion, suspend your transfer for a reasonable period or cancel your transfer and refund the money to you.
 - e. For certain currencies, including where you are paying for a Money Transfer with Japanese Yen (JPY), the guaranteed rate will only be offered after your address has been verified by us.
 - f. We may change these guaranteed rate conditions or suspend the guaranteed rate feature at any time.
- 25.4 The Wise exchange rates.** We will confirm the available exchange rate (if applicable) for your Money Transfer:
- a. when you place your Money Transfer, if it is a guaranteed rate Money Transfer; or
 - b. when we have received your payment, if it is a non-guaranteed rate Money Transfer.
- 25.5 Chargebacks on your payment instrument.** If you selected a payment method which can be subject to chargeback (for example a credit card), you agree that you will only exercise this chargeback right if:
- a. we have breached this Agreement; or
 - b. there was an unauthorised use of your payment instrument, meaning that you did not execute or authorise the payment.

- 25.6** You agree that you will not exercise your chargeback right for any other reason, including a dispute with a recipient. If we need to investigate or take any actions in connection with a chargeback caused by or related to you, we may charge you for our costs in doing so and may deduct those costs from your Wise Account (if you have one) or limit or remove your access to our Services. See **What happens if you owe us money**.
- 25.7** **When we receive your request.** If your Money Transfer request is received by us after 5pm UK time on a Business Day or on a day that is not a Business Day (e.g., a weekend or bank holiday), your Money Transfer will be deemed received on the following Business Day.
- 25.8** **What happens after you have submitted your Money Transfer request.** Once we have received your Money Transfer request, we will provide you with a unique transaction number which you can find in your Wise Account or profile. You should quote this number when communicating with us about a particular Money Transfer or other transaction.
- 25.9** **Sending money using an email address.** If you send money to a person using an email address which is not registered with us, the money will not be credited until the intended recipient has claimed the money by following the steps set out for them in an email that they will receive. Until that process is successfully completed, there is no relationship between us and the intended recipient and the money continues to belong to you. We will refund the money to you if the intended recipient does not claim the money or if they have failed our recipient checks within a reasonable period as determined by us.
- 25.10** **Delay in transfer.** We may delay processing a Money Transfer in certain situations, including if we need to confirm that the transaction has been authorised by you, because of verification checks or due diligence reviews, or if other payments to your Wise Account have been reversed (for example, because of a Chargeback or Reversal). Wise is not responsible for such delays, where we have acted reasonably.
- 25.11** **Completion time of your Money Transfer.** The estimated completion time of your Money Transfer will be provided to you when setting up your Money Transfer.
- 25.12** **We will use reasonable efforts to ensure funds arrive at your recipient's account within the timeframe provided.** We will use reasonable efforts to ensure that the funds arrive in the recipient's bank account or payment account within the notified timeframe provided to you. We do not have any control over the time it may take for the recipient's bank or payment provider to credit and make available funds to the recipient.
- 25.13** **Refusal of your Money Transfer.** If we are unable to complete your Money Transfer, we will let you know and, when possible, the reasons for the refusal and an explanation of how to correct any factual errors. However, we are not required to notify you if such notification would be unlawful.
- 25.14** **You may cancel your Money Transfer before your funds are converted.** You may cancel your Money Transfer by following the instructions set out in

our [Help Centre](#). You cannot cancel your Money Transfer once your funds have been converted and transfer initiated.

- 25.15 When will I be notified of my scheduled Money transfer?** If you have scheduled a Money transfer in advance then we will notify you 24 hours before your upcoming Money Transfer, setting out the total fees and the estimated exchange rate for that Money Transfer. By scheduling a Money Transfer, you agree to Wise sending the funds using the exchange rate at any time on the scheduled date. If you have opted in to receiving confirmation emails, we will send you a Money Transfer receipt after successfully sending your scheduled Money Transfer.
- 25.16 You must ensure the information you provide to us is correct.** You must make sure that the information you provide when setting up a Money Transfer is accurate. If we have processed your order in accordance with the information you have provided to us it will be considered correctly completed even if you have made a mistake.
- 25.17 What happens if you provide us with incorrect information.** If you have provided incorrect information to us, we may, but are not required to, assist you in recovering your funds. We cannot guarantee that such efforts will be successful as they rely on the policies and practices of other banks and institutions. In addition, Wise may not be able to confirm that your recipient's name and account number match, as the names and other information associated with third party accounts may not be known to Wise. This means that if you provide an incorrect account number, your funds will most likely go to the wrong account.
- 25.18 Finality.** When you make a Money Transfer, the settlement and payout to the recipient are final and irrevocable unless otherwise provided in this Agreement or pursuant to applicable law.

- 29.1 Unforeseeable loss or damage.** We are not responsible for any loss or damage that is not foreseeable. - 29.2 We do not exclude or limit in any way our liability to you where it would be unlawful to do so.** This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents, or subcontractors, for fraud or fraudulent misrepresentation.
- 29.3 We are not liable for business losses.** To the extent permissible by law, if you use our Services for any commercial or business purpose we will have no liability to you for any loss of profit, loss of business, business interruption, loss of business opportunity or similar.

- 29.5 We have no control over websites linked to and from our Website.** We assume no responsibility for such Third Party Materials or any loss or damage that may arise from your use of them.
- 29.6 Our liability to you for unauthorised payments.** In case of an unauthorised payment, we shall at your request refund the payment amount including all fees deducted by us. We may require proof that such payments were unauthorised. This shall not apply where we believe:
- a. Your Wise Account, or other personalised security features, are lost, stolen, or misappropriated. You will be liable for the first GBP 35 of any unauthorised payments if we believe you should have been aware of the loss, theft, or unauthorised use. We will not hold you liable for the first GBP 35 if the unauthorised payment was caused either by our acts or omissions, or those of a third party expressly carrying out activities on our behalf. Your liability for the first GBP 35 also does not apply to any unauthorised transactions made after you have notified us that your Wise Account or profile may have been compromised (using the details we've given you).
 - b. You have acted fraudulently.
 - c. You do not quickly notify us of security issues (e.g., loss of your password). You remain liable for losses incurred up to your notification to us.
 - d. The payment transaction was unauthorised, but you have with intent or gross negligence compromised the security of your Wise Account or profile or failed to comply with your obligations to use your Wise Account or profile in the manner set out in this Agreement. In such a case you shall be solely liable for all losses; or
 - e. You don't let us know about the unauthorised or incorrectly completed transaction within 13 months from the date of the payment transaction.

- a. If through no fault of ours, you do not have enough funds available for your Money Transfer or in your Wise Account to complete the transaction.

 - c. If an ATM where you are making a cash withdrawal does not have enough cash.
 - d. If an electronic terminal where you are making a transaction does not operate properly.

- e. If access to your Card has been blocked after you reported your Card lost or stolen or if Wise has reason to believe that your Wise Account was compromised.
- f. If there is a hold or your funds are subject to legal or administrative process or other encumbrance restricting their use.
- g. If the requested transaction is unauthorised as defined in this section of this Agreement.
- h. If circumstances beyond our control (such as fire, flood, or computer or communication failure) prevent the completion of the transaction, despite reasonable precautions that we have taken.
- i. Any other exception stated in this Agreement.

29.9 We are not liable for things which are outside of our control. We (and our affiliates) cannot be liable for our inability to deliver or delay because of things which are outside our control.

29.10 You are liable if you breach this Agreement or applicable laws. In the event of loss, claims, costs, or expenses (including reasonable legal fees) arising out of your breach of this Agreement, any applicable law or regulation and/or your, or any Authorised User's use of our Services, you agree to defend, compensate us and our affiliates and hold us harmless. This provision will continue after our relationship ends.

29.11 What happens if you owe us money. In the event you are liable for any amounts owed to us for whatever reason, we may immediately deduct such amounts from your Wise Account (if available). If there are insufficient funds in your Wise Account to cover your liability or you do not have a Wise Account, you agree to repay the outstanding amount to us immediately on demand along with any applicable fees and interest. If you do not repay the outstanding amount, then, without prejudice to any other rights we may have, we reserve the right to collect your debt to us by using any payments received for our Services in the future (such as to fund a Money Transfer or your Wise Account), and otherwise you agree to reimburse us through other means. We may also recover amounts you owe us through other collection avenues, including, without limitation, using a debt collection agency. We may recover all reasonable costs or expenses (including reasonable attorneys' fees and expenses) incurred in connection with the enforcement of this Agreement.

29.12 Release. If you have a dispute with any other Wise Account holder or a third party that you send money to or receive money from using the Services, you release Wise from all claims, demands and damages (actual and consequential) of every kind and nature, known and unknown, arising out of or in any way connected with such disputes. This means that you must use caution when dealing with third parties when using our Services.

29.13 In entering this release, you expressly waive any protections (whether statutory or otherwise) that would otherwise limit the coverage of this release to include only those claims which you may know or suspect to exist in your favour at the time of agreeing to this release.

29.14 Disclaimer of Warranty. The Services are provided “As-Is” “Where Is” and “Where Available” and without any representation or warranty, whether express, implied, or statutory. Wise specifically disclaims any implied warranties of title, merchantability, fitness for a particular purpose and non-infringement. We disclaim all warranties with respect to the Services to the fullest extent permissible under applicable law, including the warranties of merchantability, fitness for a particular purpose, non-infringement, and title.

However, we do not guarantee that our Services will always be available or be uninterrupted. We may suspend, withdraw, discontinue, or change all or any part of our Service without notice. We will not be liable to you if for any reason our Services are unavailable at any time or for any period.

30. Our right to make changes.

30.1 We may change this Agreement by giving you at least two (2) months’ prior written notice. This notice will be provided either by email or displaying a notice in the App or in our Webpage. If we do this, you can terminate this Agreement immediately by closing your Wise Account or profile and ceasing use of our Services during the notice period (see section “**Closing your Wise Account or stopping your use of our Services**”). If we do not hear from you during the notice period, you will be considered as having accepted the proposed changes and they will apply to you from the effective date specified on the notice.

30.2 In some instances, we may change this Agreement immediately. Notwithstanding section 33.1, changes to this Agreement which do not require two months’ notice or are (1) more favourable to you; (2) required by law; (3) related to the addition of a new service, extra functionality to the existing Service; or (4) changes which neither reduce your rights nor increase your responsibilities, will come into effect immediately if they are stated in the change notice. Changes to exchange rates shall come into effect immediately without notice and you shall not have the right to object to such a change.

31. Complaints

31.1 If you have any complaints about us or our Services, you may contact us following our [customer complaint procedure](#).

32. General but important terms

32.1 No Third Party rights. This Agreement is between you and us. Except as expressly provided in this Agreement (for example in the App Store terms), no other person shall have any rights to enforce any of its terms. Neither of us will need to get the agreement of any other person to end or make any changes to this Agreement.

- 32.2 Assignment.** You may not transfer, assign, mortgage, charge, subcontract, declare a trust over or deal in any other manner with any or all your rights and obligations under this Agreement (including the Wise Account) without our prior written consent. We reserve the right to transfer, assign or novate this Agreement (including the Wise Account) or any right or obligation under this Agreement at any time without your consent. This does not affect your rights to close your Wise Account under section 7.
- 32.3 Severability.** Each of the paragraphs of this Agreement operates separately. If any court or relevant authority decides that any of them are unlawful or unenforceable, the remaining paragraphs will remain in full force and effect.
- 32.4 Enforcement.** Even if we delay in enforcing this Agreement, we can still enforce it later. If we delay in asking you to do certain things or taking certain action, it will not prevent us from taking steps against you at a later date.
- 32.5 Entire Agreement.** This Agreement supersedes and extinguishes all previous agreements between you and Wise, whether written or oral, relating to its subject matter.
- 32.6 Governing law.** This Agreement is governed by English law. Any dispute between you and us in connection with the Services and/or this Agreement shall be brought in the courts of England and Wales.
