**Summary: Consensus Represents the average on a line by line basis of updated published numbers from 14 analysts post Q4 FY24 trading update as at 22 May 2024**

#### Disclaimer

Consensus figures in the table above are line-by-line averages based on the forecasts of certain sell-side analysts covering Wise PLC and its consolidated subsidiaries ("Wise"). They may not sum exactly as not all forecasts received contain an estimate for each account line.

Wise Owner Relations requested sell-side analysts which, to the best of Wise's knowledge, cover Wise to provide their estimates for each of the line items appearing in the tables above. To produce this consensus, estimates of 14 analysts have been used as at 22 May 2024. The selection of the analysts included in the consensus figures has not been made on the basis of the analysts' opinions, forecasts, estimates, projections, predictions or recommendations in respect of Wise. The opinions, forecasts, estimates, projections, predictions or recommendations regarding Wise's performance made by the aforementioned analysts are those of the analysts alone and do not represent the opinions forecasts, estimates, projections, predictions or recommendations of Wise. Wise accepts no liability for the selection, accuracy or completeness of the analysts' opinions, forecasts, estimates, projections, predictions or recommendations.

The consensus figures are being provided for information purposes only and are not intended to, nor do they, constitute investment advice, promotional material for services offered by Wise. None of Wise, its affiliates or its respective directors, officers and employees shall accept any liability whatsoever for the consequences of any reliance upon, or actions taken based on, any of the information provided in the consensus figures.

Wise makes no warranty, express or implied, as to the accuracy or completeness of the consensus estimates or the assumptions upon which they are based. The consensus estimates do not constitute recommendations to buy, sell or hold securities and should not be relied upon in making investment decisions. Investors should perform their own due diligence before making any investment decision

Consensus estimates as of 5 June 2024. Where analysts, investors or other parties wish to include or refer to the Wise consensus information in other documents, including published research, it must be appropriately cited as "company compiled consensus" with the relevant "as at" date of publication.
