A \$1.50 fee applies to each withdrawal starting with your third withdrawal in a calendar month. A 2% fee is charged on any amount you withdraw beyond \$100 in a calendar month.</p> <p>The ATM operator may charge their own fees. Fee amount varies by ATM operator.</p>
International Transaction	From \$0.00	As long as you have a Wise Account balance in the currency you are spending, there is no fee when paying with your Wise Multi-Currency Card in that currency. If you do not have a balance in the currency you are spending, a currency conversion fee will be applied (see "Currency Conversion" section below for range of fees).
Currency Conversion associated fees		
Currency Conversion		"Conversion fee" depends on the currencies of the sender and recipient. Our currency conversion fee is a variable fee based on the currencies involved in the transaction. This fee may be in addition to a "Payment method fee."
Wise fee	From 0.2% - 4.42%	"Wise Fee" is applicable only for same currency Send Money transfers (without using Wise balance, from external account to an external account). It's a fixed fee to cover servicing cost and bank fees incurred to support the route.

These fees may be shown in addition to a "Payment method fee." The presented range is the least expensive currency conversion to our most expensive. Please visit <https://wise.com/us/pricing/send-money> to calculate the conversion fees of your intended transaction.

Variable Volatility Fee	From 0 - 10%	Fee assessed in the event of exchange rate volatility. See here for more details https://wise.com/help/articles/2amMyWoOyhgTL0CkDcY2m4/what-are-dynamic-charges
Sending Money
